To: Blood-Stream Infection (CDC)
Subject: draft guidelines for prevention of intravascular CR infections
Importance: High

Good morning,
I do hope that it is not too late for comments.

I am sure that typing and layout will be checked and double checked.
Line 86 add small "s" after (CRBSI) to reflect line 100 for consistency
Line 96 CEO is abbreviated, this needs to be expanded
Line 136 is missing the bracket ")"
Line 418 "A small trial demonstrated a", not an
And finally, in the dressing changes for CL, there should be a statement about wearing a procedure mask during the drsg changes. Sterile gloves is mentioned, not the procedure mask.

Thanks
Barb
